

GLOBAL LEGAL CONFEX DUBAI 2015

POST EVENT REVIEW:

Greeting Note from Mr. Yousef Hussan Al Sahlawi-

Distinguished guests, ladies and gentlemen, I commend the Dubai Government for recognising the importance for legal conferences and events and then the Global outsourcing association of lawyers (GOAL) for convening this significant gathering.

This month not only coincides with the establishment of the United Nations by the UK and US Government 1945, but, these great events shall inspire lawyers and other professionals for generations to come. This Global Legal ConfEX Dubai 2015 is a remarkable forum; it is an important collaboration between the legal profession, business, judiciary, civil society and the government.

The universal aspiration for legal awareness and a world where rights of all are protected and all see the benefits of development is only possible if the rule of law is respected. Myself and my team at Al Sahlawi Group warmly greet all of you today present and thank you for taking the time to attend this important event and we look forward to speaking with you on a one to one basis to share our vision.

Thank You.

This marked the beginning of the Global Legal ConfEX Dubai 2015, which was not only a great success but also marked Al Sahlawi Group Advocates and Legal Consultants presence in the UAE and amongst other top competitors which joined us for this event.
